Pulse & Journal quotes:

Coach Jennifer Burnside: *“I think we played really well considering all the injuries we have right now. We have five girls that are down with possible year ending injuries. The girls were a little devastated about that, but we had a talk before the game about how the season's not over, we need people to step up, and they did.”*

Coach Meibers: *“Anytime that the defense can score points for us is a positive and we’re going to go ahead and take every point, any way we can get it whether it’s offense, defense or special teams and we’re just going to keep rolling.”*

Coach Jennifer Burnside, regarding Senior Maggie Hinkle:

“She's the heart of the team, she really is. She gives it her all, we're just praying that things aren't as serious as they think; and we can get her back.”
